Best Wishes Mary and Tom!

December 31 not only marks the end of 2012...but the end of an era for Mary and Tom. Mary Schroeder and Tom Peters will retire from their extensive careers in banking.

Mary began her career in banking in 1988 with Community Bank of Galesburg. She came to the bank at the request of a friend to help out part time. Her position evolved into a full time job with flexible hours so she could still take care of her family. After 24 years, and seeing the bank change names 3 times (Bank of Illinois, back to Community then TSB) Mary will officially retire from banking. She hopes to volunteer and try not to become a hermit! Mary and her husband Larry will be taking a month long vacation to San Diego in February to kick off retirement.

Tom started in the financial industry in 1973 upon graduating from College. He worked at Household Finance for 13 years before going to United Federal Savings & Loan. In 1990 he came to Bank of Illinois in Galesburg, which upon being purchased by Dean Easton was changed to Community Bank of Galesburg and is currently our Galesburg TSB Office. After 39 years in lending, Tom will retire to enjoy working in his yard and completing his wife's honey do list. He is still holding out for his dream job...greeter at Duffy's. So far, no word. Good luck Tom!
