Home Equity Line of Credit (HELOC)

- A HELOC is a revolving line of credit that is secured by the borrower's home.
- HELOCs are perfect for home improvement projects, college tuition, or just in preparation for unexpected costs.
- Since the loan is secured with a home, it is able to offer a much lower rate than a credit card account.
- The interest rate is determined by a combination of Loan to Value and the dollar amount of the HELOC.
- HELOCs can be accessed by online banking, calling a loan officer, or coming in to one of our branches.
- Flexible payment plans are offered for the borrower to make a minimum payment of "interest only."
- The line of credit is good for 5 years. At the end of the 5 years, the borrower can either renew the loan or pay it off in full.
- There are zero closing fees.
